Quality Policy

Central Veterinary Laboratory (CVL) is committed to deliver accurate, reliable, and timely diagnostic testing services using advanced techniques. CVL operates in compliance with the international standard ISO/IEC 17025:2017, ensuring quality, impartiality, confidentiality and technical competence in all laboratory activities.

CVL is dedicated to provide valid test results to improve animal health service in the country. CVL prioritizes the use of calibrated equipment, standard methods and trained personnel to ensure the reliability of diagnostic services.

CVL is committed for the continuous improvement of Quality Management System (QMS) and follows the biosafety and biosecurity protocols to protect its staff, clients and the environment.
